YMCA OF METROPOLITAN CHATTANOOGA

2012 STRONG KIDS CAMPAIGN

TELL US YOUR Y STORY.

Every day, hundreds of people come into the Y, never knowing the good that is generated by their membership. Most people want to do good; they want to make a difference. All they need is for someone to show them how.

This is the role of the Strong Kids storytellers. By first learning to tell your own Y story and then sharing the stories of real people who have been helped by the Y, you can help them see the very real needs in our community.

Help people **see** that the Y provides services that are essential to children, adults and families. As a Strong Kids storyteller, you'll make new friends, have some fun, and make a very real impact on the lives of many!

Here is my Y Story...
