## SWIM LESSONS

PRIVATE/SEMI-PRIVATE

### **If you have an inflexible schedule, specific goals, or special circumstances, Private/Semi-Private lessons are for you!**

People request Private or Semi-Private Lessons for a variety of reasons. Any age or ability can sign up for these lessons. Our staff can work with toddlers up to adults, beginners to the technically advanced, special needs participants, and more. Unlike group lessons, Private and Semi-Private Lessons are scheduled around your availability and are catered to the specific goals you want along with content our instructors know you would benefit from. Lessons are thirty (30) minutes in length and are arranged through the Aquatic Director and Instructors. Please fill out our information form and either the Aquatic Director or an Instructor will contact you within one week of your request date to discuss your request. Private lessons are structured with one instructor and one participant. Semi-Private lessons can have 2 or 3 participants and the cost is for the entire group.

#### **Private Lesson Prices:**
