

FOOD ALLERGIES

The YMCA makes significant efforts to limit food with allergens. While foods containing nuts are strongly discouraged, we cannot guarantee a 100% nut-free or allergen-free environment, and therefore, cannot be labeled as an allergen-free or nut-free facility.

If you have questions, speak with the Program Director. If you choose to send a snack for your child, do not send peanuts, peanut butter, or any product that contains peanuts/peanut oil included.

The food program is not available at all sites. Check with your Site Director to see if site qualifies for food program under state regulations.
