# ITINERARY

## Day 1:

You're on your way to Iceland, a land forged by fire and ice. You will join your group tomorrow after an overnight flight.

## Day 2:

Your day will start in Reykjavik, Iceland's capital where you will check into your hotel and enjoy a complimentary breakfast. Later in the afternoon you will get acquainted with old town Reykjavik on a guided tour. Take in the harbor, city hall, Parliament building and nearby cathedral. After enjoy an Icelandic cuisine dinner with your fellow travelers before taking an exhilarating northern lights cruise into the darkness of Faxafloi Bay in search of the aurora borealis. (Breakfast & Dinner provided)

## Day 3:

Today you will travel the Golden Circle to experience the explosive Geysir thermal area and the double-cascade Gullfoss waterfall, as well as the famous Thingvellir National Park. Later witness Seljalandsfoss, a rushing waterfall that you can walk behind for unique views. Continue onto Vik, where you can drive or walk into the stillness of rural Iceland in search of the northern lights. (Breakfast & Dinner provided)

## Day 4:

Begin the day by journeying to Reynisfjara, a volcanic sandy beach surrounded by basalt formations, home to thousands of nesting sea birds. Look out over rock formations at Dyrholaey, a small peninsula of volcanic origin towering over the ocean. Next, visit the Skogar Museum and discover its turf-built homes and artifacts. After, visit Skogafoss waterfall, one of Iceland's biggest waterfalls. End your day with a visit to Solheimajokull Glacier, Iceland's fourth largest glacier. Enjoy dinner and then gaze at the sky in search of the northern lights. (Breakfast & Dinner provided)

## Day 5:

Today you will travel through Skaftafell National Park, gateway to Vatnajokull Glacier known for having Iceland's highest mountains and Europe's largest ice cap. Travel to Jokulsalon glacial lagoon, filled with floating icebergs. Explore the extraordinary landscapes and search for seals swimming. After dinner, continue searching for the northern lights. (Breakfast & Dinner provided)

## Day 6:

Start your day driving along the south shore towards the Reykjanes Peninsula. Known for its rugged landscape, lava fields, and numerous hot springs, the peninsula is home to the Blue Lagoon. Take a dip in the warm, mineral-rich waters of the geothermal pool, located in the heart of a dramatic lava field. Return to Reykjavik for your farewell dinner and overnight stay. (Breakfast & Dinner provided)

## Day 7:

Start the day with a continental breakfast, before departing for home with your new friends and talking about all the amazing sites you enjoyed in Iceland. (Breakfast provided).
