#### FOR MORE INFORMATION

CASSIE MCDONALD  
Senior Program Director  
cmcdonald@ymcachattanooga.org  
423.899.1721

The Y is the nation's leading expert in water safety and swim instruction. Ys across the country have adopted a swim lesson curriculum that makes it easier for children and adults to become comfortable and safe in and around water. Lessons begin with the development of basic self rescue skills as well as gaining confidence and ease in the water. From there, swimmers refine the strokes they have learned and progress their skills.

Our Mission: To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

# OVERVIEW & SCHEDULE

## GROUP CLASSES – 30 min.

Sat: May 2-23

Mon/Wed: May 4-27\*

### SWIM STARTERS

Ages 6 mos.-3 yrs.

#### DAY/TIME:

Wed: 4:00 pm OR Sat: 10:00 am

### SWIM BASICS

Preschool Ages 3-5 yrs.

#### DAY/TIME:

M/W: 4:45 pm OR Sat: 10:45 am

Youth Ages 6-12 yrs.

M/W: 5:30 pm OR Sat: 11:30 am

### SWIM CLUB

Youth Ages 6-17 yrs.

SEE AQUATICS OFFICE FOR MORE INFORMATION

\*May 20 and May 27<sup>th</sup> lessons will be 45 minutes in length to accommodate Memorial Day

## PRIVATE LESSONS (AGES 3+) – 30 min.

Private and semi-private lessons are available for any skill level by appointment only. Registration is required by submitting a registration form to the YMCA or via email to the Aquatics Director. Please indicate preferred lesson days and times if you have schedule restrictions. You will be contacted to schedule your lessons and lessons will begin after payment is received.

Makeup lessons are only conducted if the YMCA cancels class. A day will be added or minutes will be added to remaining classes.

#### SWIM STARTERS

Parent & child lessons

Introduces infants & toddlers to the aquatic environment.

Focuses on exploring body positions, blowing bubbles, & fundamental safety & aquatic skills.

#### SWIM BASICS

Skills for all to have around water

Increases comfort with underwater exploration & introduces basic self rescue skills performed with assistance.

Encourages forward movement in water & basic self rescue skills performed independently.

#### SWIM INTERMEDIATE

Increasing confidence & stamina

Develops intermediate self rescue skills performed at longer distances than in previous stages

Introduces basic stroke technique in front crawl & back crawl & reinforces water safety through treading water & elementary backstroke.

#### SWIM STROKES

Skills to support a healthy lifestyle

Introduces breaststroke & butterfly & reinforces water safety through treading water & sidestroke.

Refines stroke technique on all major competitive strokes & encourages swimming as part of a healthy lifestyle.

#### OUTCOMES

Accompanied by a parent, infants & toddlers learn to be comfortable in the water & develop swim readiness skills through fun & confidence-building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

#### OUTCOMES

Students learn personal water safety & achieve basic swimming competency by learning two benchmark skills:

- Swim, float, swim - sequencing front glide, roll, back float, roll, front glide, & exit
- Jump, push, turn, grab

#### OUTCOMES

Having mastered the fundamentals, students learn additional water safety skills & build stroke technique, developing skills that prevent chronic disease, increase social-emotional and cognitive well being, and foster a lifetime of physical activity.
